The ATI TEAS Study Manual is available **in the library at each campus**. Check with your campus about availability and restrictions for borrowing.

- **TEAS SmartPrep Study Package (NEW) – NO LONGER BEING HELD**

HOW TO REGISTER FOR THE TEAS

TEAS tests are given remotely (online) and in person at the Gettysburg, Harrisburg, Lancaster, and York campuses, and you may register for any HACC location. You may also take the test at ANY PSI or other non-HACC location. Just **be sure to have your results sent to HACC**. If you don't have it sent to HACC when you register for the test, ATI charges \$27 to have a transcript sent after the fact. **Specific program or campus doesn't matter – all results are the same.**

- Go to the ATI website and navigate to the online TEAS store (<https://www.atitesting.com/teas-prep>) and click on "REGISTER NOW"
- The next screen offers the choice of In-Person or Online:

- If you want to take it at a HACC campus, choose In-Person and search by location or HACC. If you want to take it online, choose "Institution Remote Proctor—Nursing (or Allied Health)," and then select any of the HACC locations.
- It doesn't really matter which program or campus you select; the test and results are the same.
- The cost of the TEAS *taken at HACC* is around \$101 plus tax (subject to change). The cost of the TEAS at PSI or ATI is around \$115. Prices are as of July 2023.
- You may take the TEAS – Nursing or Allied Health (because there is only one test just labeled differently on the ATI website) – *anywhere* because it is the same test and the results are the same. If taken at another (non-HACC) location, the price may be higher (PSI and ATI Remote Proctoring locations current charge is \$115)
- Check out the technical requirements if you plan to take it via remote proctoring - <https://atitesting.com/technical-requirements>
- You will receive an email confirmation with your receipt and testing session information.
- HACC will also send an email 1-2 days prior to your exam appointment with specific test-day information. This email will be sent to the email address you provide ATI! Be sure to check spam or junk if you use an email address other than Hawkmail.
