

# Find YOUR Program at HACC!

With approximately 100 programs, five campuses and online learning, we have something for you.

*"It [HACC] has given me the chance to do something that my children can be proud of."*

*- Tanishia, HACC Graduate  
and Single Mom Who Wanted More*

Specific information about each program is available at [hacc.edu/Programs](http://hacc.edu/Programs).

## **Definitions:**

**Associate in Arts (AA)** - These degrees are designed as transfer programs.

**Associate in Fine Arts (AFA)** – These degrees are designed as career programs.

**Associate in Science (AS)** – Some are designed as transfer programs and others are career programs.

**Associate in Applied Science (AAS)** – These degrees are career programs.

**Career program** - For students who want to begin their career after graduation, this type of program provides concentrated, in-depth study in a specific field. These are a minimum of 60 credits.

**Certificate** – For students who are focusing on a specifically defined occupational goal, this type of program is designed to be completed in two terms. Students have satisfied the work required in a minimum of 30 credits.

**Diploma** - For students who need to acquire a technical skill as quickly as possible, this type of program includes a minimum of 16 credits and is designed to be completed in one term.

**Noncredit** - Students are awarded a certificate of completion. It means students have attended at least 80% of the hours of the class or program.

**Transfer program** – For students who want to receive the first two years of education and plan to transfer credits to earn their bachelor's degree.

X - The program can be completed in its entirety on campus. Please visit [hacc.edu/ClassOptions](http://hacc.edu/ClassOptions) to learn how classes at each campus will be delivered.

o - The program can be completed in its entirety through virtual learning. (Virtual learning classes are 100% online and do not typically have a scheduled time when faculty and students meet together. As long as due dates are met, students' work can be done on various days and times.)

\* - The program will have 75% of classes on campus and 25% online.
