

**Subject:** HACC Cares: International Students  
**Date:** Friday, March 6, 2020 4:11:50 PM

---

## **Greetings, HACC international students!**

We understand that the news about the coronavirus can be frightening – especially for international students who are far from home and apart from loved ones.

Please know that HACC is taking precautions to keep you safe from the current strain of the coronavirus. We have established a health risk assessment team to monitor the status of the coronavirus in Pennsylvania and beyond. We are (1) equipping buildings with hand sanitizer and special cleaners and (2) working with our faculty to promote online learning, if necessary, to reduce the spread of infection.

These are steps to keep you physically healthy, and we also want to support your emotional wellbeing. HACC's International Student Office can help you access the support services available at HACC. Please contact Jennifer Daley, international student coordinator, at 717-780-1101 or [jldaley@hacc.edu](mailto:jldaley@hacc.edu) if you need assistance. Please also see [international student resources](#) for more information.

In addition, if you are experiencing stress, anxiety, depression, family-related issues, substance abuse or other challenges, professional counseling services are available. Please call 1-800-543-5080 or visit [www.mseap.com](http://www.mseap.com). Please see this [flyer](#) for details.

Please visit [this webpage](#) about the College's efforts to keep you safe and healthy.

**Lastly, please know that you are very welcome at the College. I enjoy interacting with you and hope you will come and visit me in the Ted Lick Administration Building (Room 112) when you are nearby. You are an important part of our community, and it is made better because of you. HACC cares for you and your family – here and abroad!**

Thank you.
