

Subject: Update on HACC's Instruction and Student Services Planning – July 28, 2021
Date: Wednesday, July 28, 2021 10:02:36 PM

Good evening, colleagues!

Many colleagues have been engaged in planning and facilitating cross-functional retreats and initiatives over the last several weeks. I want to thank everyone for their commitment to breaking down institutional silos in service to our students. Although HACC has always been committed to collaboration across divisions and departments, I see new energy and intentionality around the work that is happening. The One-College mindset is strong, and it is exciting!

Please note that there will be no collegewide Zoom sessions on Aug. 5 and Aug. 12.

As you have come to expect, following are the commonly asked questions and our responses to them. Please note that some of these responses are tentative and subject to change.

If you have additional questions and you do not see the answers on the website, please submit the online form located on the website. Please see the webpage section called "[Information for Employees](#)." If you would like to see the information being communicated to students, please see the webpage called "[Information for Students](#)."

We will continue to update you regularly via email, the aforementioned website and Zoom sessions.

Thank you!
