Greetings!

On the heels of Memorial Day, I want to thank all members of our HACC community who have made and continue to make sacrifices to protect our freedoms and keep us safe. To those who currently serve or have served in the military – thank you.

Today's [inspirational video](#) comes from Professor Sarah Ostrander. Know that we are all rooting for you!

As you have come to expect, following are the commonly asked questions and our responses to them. Please note that some of these responses are tentative and subject to change.

If you have additional questions and you do not see the answers on the [website](#), please submit the online form located on the website. Please see the webpage section called "Information for Students."

We will continue to update you regularly via email and the aforementioned website.

Thank you!

John J. "Ski" Sygielski, MBA, Ed.D.

If I want to add a course from a different HACC campus during this summer, am I able to do so since the courses will be remote because of COVID-19?

Yes, you may take a summer course that is listed at any campus because all classes will be held remotely. In fact, you can [search for classes](#) by not selecting any campus and just selecting the course in the search box.
