Welcome to HACC's fall 2023 Commencement ceremony.

It is a privilege to be with you to celebrate the achievements of our graduating students. After tonight, these #HACCproud graduates can say they have earned a degree, certificate or diploma from Pennsylvania's first, largest and, in my opinion, best community college.

You and your peers have worked countless hours to reach your goals, and I know this journey has not always been easy. During your time as a HACC student, you may have attended remote classes while your children demanded your attention. You may have been caring for sick loved ones. You may have questioned your decision to go back to school during a time of economic uncertainty. All of you, however, forged ahead and decided to advance your education and the lives of those around you.

Please know that your decision to keep going will be worth it. The HACC community will applaud you and your academic achievements tonight and for many months to come. We are confident that you will go on to do great things in your lives and communities.

Remember that along with your new credential, you and your peers are now part of the College's Alumni Association of more than 110,000 individuals from Central Pennsylvania and around the world.

Although your time as a HACC student may be over, I hope you will periodically find time to email me at presidentski@hacc.edu and let me know how you are doing.

Congratulations!

Thank you!

College Mace

The College Mace is a ceremonial staff symbolizing the authority of the College. It was crafted by Maurice C. Overholt, vice president emeritus of administration, who was the first business manager of HACC. The Mace is made from a cherry tree cut down during the construction of the John N. Hall Technology Center. The symbols at the top of the Mace are made of brass. Taken from the College Seal, each symbol represents an aspect of the College's educational mission.

Professor Newcomer graduated cum laude with a Bachelor of Arts in mass communications and summa cum laude with a Master of Arts in communication studies from Bloomsburg University.

Professor Newcomer emphasizes that she is part of a HACC family because her husband is an assistant professor of heating, ventilation and air conditioning/refrigeration (HVAC) and her daughters and son-in-law were dual enrolled students at HACC.

In her spare time, she loves to spend time with family and friends, travel, sing, write, inspire others to share their story and make people laugh. She adores all things Disney!

Mary Tonge Student Representative

Mary Tonge will receive an associate degree in political science from HACC. She previously graduated with an Associate in Arts in liberal arts from HACC in December 2022. She has been named to HACC's dean's list and is a member of Alpha Omega Nu, a chapter of the Phi Theta Kappa Honor Society. She currently works as an emergency medical technician (EMT) for the Central Juniata EMS Company, having completed her EMT-B certification in the fall of 2021. Her previous military service includes the United States Army (1990-1992) and the Oregon National Guard (2006-2015). Her family consists of her daughter, granddaughter, two pit bulls, two cats and a hamster. Mary lives in Port Royal, Pennsylvania.

Justin Fleming Mace Bearer

State Representative Justin Fleming represents the 105th Legislative District in Dauphin County. He spent 18 years working in and around state government before being elected as a state representative in November 2022. Representative Fleming attended HACC before completing his bachelor's degree at Millersville University.

Terry L. Davis Alumni Speaker

Prior to this role, he served Dauphin County Probation and Parole for more than 35 years, leading as director for nearly 29 years. Mr. Davis joined the HACC Foundation Board in June 2023. When asked why he joined the HACC Foundation Board, Mr. Davis said, “I am a HACC graduate and realized the significance of attending HACC and what it has done for my life.”

Mr. Davis earned an associate degree in police administration from HACC, a bachelor’s degree in social science from the Pennsylvania State University and a master’s degree in administration of criminal justice from the Pennsylvania State University.

Roberto Marti Jr. “America the Beautiful” Singer

Roberto Marti Jr. is the director of career development and transfer services at HACC and a proud HACC alumnus. His journey in higher education began in 2011 - a significant pivot from his previous career as a dedicated educator in the field of music. As a former middle school music teacher and church choir director, Mr. Marti nurtured young minds’ creative and artistic talents in and out of the classroom. That experience taught him the power of education and the joy of helping students realize their potential. Since his transition to higher education, Mr. Marti has brought a passion for guiding students and helping individuals unlock their full potential and achieve their educational and career aspirations.

Mr. Marti says, “I want to express my heartfelt congratulations to all of our graduates. Embrace every opportunity, face every challenge, and know that your potential knows no bounds.”

A HACC education is worth more than you think.

#HACCyeah!

"There's no point in getting a two-year degree."

"Community colleges are the same as trade schools."

"HACC isn't a real college."

We've heard it all from our haters. Maybe you have too. But have you heard...

On average, people with their associate degree get paid **\$8,000** more each year than people with only a high school diploma.*

HACC has programs that might surprise you, like architecture, entrepreneurship, film and theatre, geospatial technology, medical laboratory technician and more.

The faculty who teach at HACC are just as qualified as those at four-year schools.

Choose HACC, Central Pennsylvania's Community College, and get an education that pays off.

Proudly
YOURS.
